festivals and sweeping landscape panoramas he would eventually increasingly turn to painting working for the cultural elite of antwerp and brussels this monograph is a testament to bruegel s evolution as an artist one who bravely confronted the issues of his day all the while proposing new inventions and solutions rather than idealizing reality he addressed the horrors of religious warfare and took a critical stand against the institution of the church to this end he developed his own pictorial language of dissidence lacing innocuous everyday scenes with subliminal statements in order to escape repercussions to produce this xxl sized collection taschen undertook a comprehensive photographic campaign capturing all the breadth and splendid detail of bruegel s oeuvre like never before the result gathers all 40 paintings 65 drawings and 89 engravings in pristine reproductions each piece a unique witness to both the religious mores and the close knit folk culture of bruegel s time
