Margaret is very special. Amy Poehler, Vulture Generations of teenage girls have grown up reading the tales of teenage angst told by beloved author Judy Blume. Mashable's Margaret Simon, almost twelve, has just moved from New York City to the suburbs and she's anxious to fit in with her new friends. When she's asked to join a secret club, she jumps at the chance. But when the girls start talking about boys, bras, and getting their first periods, Margaret starts to wonder if she's normal. There are some things about growing up that are hard for her to talk about, even with her friends. Lucky for Margaret, she's got someone else to confide in - someone who always listens. A heart-warming story that celebrates the bonds of friends, family, and sisterhood. This is a beautifully crafted novel. Kristina Seek, author of the hashtag hunt, says as a group of eighty-something girlfriends deal with the mental decline of their sorority sister, they reconnect with their college sorority, advise their grandchildren to find new lives for themselves, and continue to show up for each other. Vivian, nicknamed Button, is an Alzheimer's patient who adores her sorority. Helen rediscovers love at age eighty. One, Ida's crazy side comes out during football season, and Laney is the big sister in charge of baking for the group. These three women consistently show up for Vivian as her mental health deteriorates. Because that is what sisters do. As they discover a new way of life, they find they would rather take the road less traveled just as they did in their college days. I love books that represent the values of female friendships and supporting one another the way these women show up for each other is truly inspiring. Pat Mitchell, co-founder and curator of TEDWomen and author of Becoming a Dangerous Woman, says I think fans of Steel Magnolias will love this book. I recommend it wholeheartedly. Carey Conley, co-author of Keep Looking Up, says a truly endearing book. We all need our tribe, our pride, and to think about our special relationships and their lifetime impact personally and on future generations. Robin White Fanning, President of the Phi Mu Foundation, says Sorority sister or not, this book is an incredible portrayal of sisterhood and friendship that will warm your heart. Kelin Kushin, Chief Business Development Officer at Vivid Vision, says over 50 years of an iconic classic. This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever
