Under the Lorraine Cross; An Account of the Experiences of Infantrymen Who Fought Under Captain Theodore Schoge and of Their Buddies of the Lorraine Cross Division, While Serving in France During the World War 2015-08-08

based on the richest archive of witchcraft trials found in europe this title paints a vivid picture of life amongst the people of a small duchy on the border of france robin briggs examination of their beliefs in phenomena such as shapeshifting and werewolves proves a vital contribution to historical understanding of witchcraft

The Witches of Lorraine 2007

the princes étrangers or the foreign princes were an influential group of courtiers in early modern france who maintained their unofficial status as foreigners due to membership in sovereign ruling families arguably the most influential of these were the princes of lorraine a sovereign state on france s eastern border during the sixteenth century the lorraine guise dominated the culture and politics of france gaining a reputation as a powerful manipulative family at the head of the catholic league in the wars of religion and with close relationships with successive valois monarchs and catherine de medici after the traumas of 1588 however although they faded from the narrative history of france they nevertheless remained at the pinnacle of political culture until the end of the eighteenth century this book examines the lesser known period for the guise at the
later stages of the ancien régime focusing on the recovery of lost fortunes prestige favour and influence that began towards the end of the reign of louis xiii and continued through that of louis xiv central to the work is the question of what it meant to be a member of a family of princely rank whose dynastic links outside the state guaranteed privileges and favours at the highest level jonathan spangler investigates how an aristocratic family operated within that political culture including facets of patronage political ecclesiastical military and the arts and the meaning of dynasticism itself marriages testaments women s roles multiplicity of loyalties the result is a thorough examination of the nature of crown noble relations in the era of absolutism as seen through the example of the lorraine guise it sheds light on how the family which had so threatened the equilibrium of the late valois monarchy became one of the strongest pillars supporting the regime of the later bourbons

The Society of Princes 2017-03-02

excerpt from under the lorraine cross an account of the experiences of infantrymen who fought under captain theodore schoge and of their buddies of the lorraine cross division while serving in france during the world war when an ex doughboy talks with an over sea buddy or dreamily gazes into the smoke and flame of a fireplace how easily he can recall the stirring incidents of the months or years spent in the land of duck boards and fireworks the pretty mademoiselles glittering jewelry displays and beautiful fashions seen on the paris boulevards the weird night spent on dead man s hill when the shrieking shells of a thousand belching cannon streamed overhead onto montfaucon the storming of hill 319 the evening before the armistice and the odd incidents of life in the quaint peasant villages these are but a few of the things that soldiers of the lorraine cross who fought under captain pop schoge can easily recall and many limes re live before joining the buddies gone west in france in the story which follows it is the desire and intention of the author to furnish his brothers in arms with a brief account of the most eventful period in the majority of their lives and to give to any others who may be interested as clear an idea as possible of just what their friends or loved ones experienced thought and felt while taking an active part in the big european shoot up the diary orders maps and other souvenirs in the writer s possession will form the basis of the account if the pals and buddies of the old outfit approve of the work the author will feel well repaid for his efforts about the publisher forgotten books publishes hundreds of

winner of the 2019 pen jacqueline bograd weld award for biography winner of the lambda literary award for lgbtq nonfiction winner of the shilts grahn triangle award for lesbian nonfiction winner of the 2019 phi beta
kappa christian gauss award a new york times notable book of 2018 a revealing portrait of one of the most
gifted and charismatic yet least understood black artists and intellectuals of the twentieth century lorraine
hansberry who died at thirty four was by all accounts a force of nature although best known for her work a raisin
in the sun her short life was full of extraordinary experiences and achievements and she had an unflinching
commitment to social justice which brought her under fbi surveillance when she was barely in her twenties while
her close friends and contemporaries like james baldwin and nina simone have been rightly celebrated her story
has been diminished and relegated to one work until now in 2018 hansberry will get the recognition she
deserves with the pbs american masters documentary lorraine hansberry sighted eyes feeling heart and imani
perry s multi dimensional illuminating biography looking for lorraine after the success of a raisin in the sun
hansberry used her prominence in myriad ways challenging president kennedy and his brother to take bolder
stances on civil rights supporting african anti colonial leaders and confronting the romantic racism of the beat
poets and village hipsters though she married a man she identified as lesbian and risking censure and the
prospect of being outed joined one of the nation s first lesbian organizations hansberry associated with many
activists writers and musicians including malcolm x langston hughes duke ellington paul robeson w e b du bois
among others looking for lorraine is a powerful insight into hansberry s extraordinary life a life that was
tragically cut far too short a black caucus of the american library association honor book for nonfiction a 2019
pauli murray book prize finalist

The Lorraine Campaign 2015-01-21

the idea of the green book is to give the motorist and tourist a guide not only of the hotels and tourist homes in
all of the large cities but other classifications that will be found useful wherever he may be also facts and
information that the negro motorist can use and depend upon there are thousands of places that the public
doesn t know about and aren t listed perhaps you know of some if so send in their names and addresses and the
kind of business so that we might pass it along to the rest of your fellow motorists you will find it handy on your
travels whether at home or in some other state and is up to date each year we are compiling new lists as some
of these places move or go out of business and new business places are started giving added employment to
members of our race

this superb history summarizes the major events and upheavals in the regions of alsace and lorraine from ancient times to the late 19th century accompanied by maps and citing sources which date back through the ages this history of the alsace and lorraine provinces is well composed at the time this account was published in 1914 the two regions had spent years in the geopolitical limelight since parts of both were annexed by germany in the 1870s resentments had simmered in france about the annexation as tensions rose in the years precluding world war one the provinces became emblematic of rising discontentment between the european powers yet as ruth putnam demonstrates the history of alsace and lorraine is long and storied with the establishment of french and german cultural heritages in the regions a complex and nuanced matter their status was important as far back as julius caesar s conquest of gaul noting the germanic tribes nearby and their continuous migrations the roman leader had to consider them as he sought to establish rome s presence further contest between various monarchs and regional rulers occurred through the medieval era and after the renaissance

**The Lorraine Campaign 1915**

part culinary memoir and part travelogue carole bumpus gathered this compilation of intimate interviews conversations stories and traditional family recipes cuisine pauvre in the kitchens of french families as she traveled throughout the countryside travel with her through champagne caves wineries and historic cathedrals
local farmers markets ancient potters guilds and restaurant kitchens with wood fire ovens learn how to make homemade spinach stuffed tortellini with bolognese sauce from the champagne region crêpes and watercress stuffed ravioli from the lorraine and baekeofe and kugelhopf from the alsace go blind from the family stock of eau de vie liqueur and be treated to tales of foraging for snails for the infamous and now extinct escargots festival and on a somber note listen to accounts of families forced from their communities during the german occupation of wwii in the alsace and lorraine only to continue to struggle for survival after finally making their way home this book is a compilation of stories about making ends meet about people being grateful for all they had even when they had almost nothing about the sharing of family jokes and laughter and about family trials and triumphs this book is about people savoring the life they have been given

United States Army in WWII - Europe - the Lorraine Campaign
1984

this account focuses on the tactical operations of the third army and its subordinate units between 1 september and 18 december 1944

The Lorraine Campaign 1950

includes maps in 1946 the historical division of the war department made plans for the preparation of a nine volume series recounting the history of the european theater of operations there was no precedent in the experience of the united states army for an official narrative account of military operations on the grand scale careful study of the official histories produced by the european combatants after world war i showed that these histories could offer little in the way of a pattern for recording the european campaigns of 1944 and 1945 the drastic change from the trench warfare of 1914 18 to the mobile operations of 1944 45 had complicated the task of the military historian in world war i a tactical situation represented by three divisions rising from the trenches in simultaneous attack on a narrow front permitted a reasonable unity in treatment and allowed the historian to write at the level of the army corps thirty years later that same frontage might be held by a single reinforced regiment the fluid condition of the combat zone in world war ii and the wide dispersion of troops over the battle area resulting from the impact of the tank the plane the machine gun the truck and the radio telephone inevitably induced a degree of fragmentation and an unavoidable lack of sequence in the narrative of events on the battlefields of 1944 and 1945 it was decided therefore that the common denominator in the present series would be the division since the division represents the basic tactical and administrative unit of the combined arms although emphasis is placed on the division organization by chapters generally will follow the story of the army corps as a means of achieving narrative and tactical unity the lorraine campaign is the first volume to be published in the projected series embracing the history of the american armies in the european theater of operations this volume deals with the campaign waged by the third army in lorraine during
the period 1 September 18 December 1944 since it has been impossible to organize the writing of individual volumes so that they may be published in the chronological sequence followed by military operations the reader interested in the history of the Third Army before or after the events here set forth must wait until the appropriate volumes are completed. The present volume is concerned with the tactical operations of the Third Army and its subordinate units. The story of command and decision in higher headquarters is told only when it has a direct bearing on the campaign in Lorraine. The logistics of this campaign likewise have been subordinated to the tactical narrative. The basic unit in the present narrative is the infantry or armored division. The story of the division has been told in terms of its regiments and battalions, but swerves on occasion to the company or the platoon just as the operations themselves turned on the exploits of these smaller units.

**The Lorraine Campaign 1917**

In the wake of the Dreyfus affair, the murder of two Jews in Nancy reveals the darker side of human nature. In the wake of the Vernet murders in Aix-en-Provence, magistrate Bernard Martin moves to the town of Nancy in Lorraine, France, along with his pregnant wife Clarie, who is as fervent about republican ideals as her husband. They are not in Nancy long when an infant boy is found dead, his tiny body mutilated. The wet nurse and mother say that this was a case of ritual sacrifice by a wandering tinker or Jew. Yet as Bernard delves deeper into the different personalities surrounding the case, he struggles to reconcile his republican beliefs with the subtle nuances of Nancy’s Jewish diaspora. Meanwhile, his beloved Clarie, now reeling from the death of her own child, seems to be falling prey to the propaganda being spewed throughout town. Fearing a vigilante mob sparked by the church, Bernard must unveil the murderers before Nancy experiences her own pogrom.
Alsace-Lorraine 1993

Lorraine Moller is one of New Zealand’s greatest women distance runners. Four times an Olympic contender, winner of three Avon Women’s Marathons, winner of the Boston Marathon three times, the winner of the Osaka International Ladies Marathon and a Commonwealth Games medallist. She is indeed a living legend of the running world. Lorraine began running barefoot with her father near her home in Putaruru and went on to win a bronze medal in the marathon at the 1992 Barcelona Summer Olympic Games here. In her own words, Lorraine looks back on a golden era of athletics in New Zealand and the personalities she ran with: Arthur Lydiard, Dick Quax, Rod Dixon, Anne Audain, Allison Roe, and others. She traces her development as a world-class competitor and reveals the strategies and coping techniques that took her to the world stage. A longtime battler for equality and professionalism in distance running, Lorraine is upfront about her struggles with officialdom with the Roman god Mercury as her guide. Lorraine competed with immense courage and determination at the highest level. Here is a candid personal story of an extraordinary life. Intense, insightful, and highly entertaining.

The First Battle of the First World War 2023-12-09

for general george s patton jr the battle for lorraine during the fall and winter of 1944 was a frustrating and grueling experience of static warfare plagued by supply shortages critical interference from superiors flooded rivers fortified cities and the highly determined german army patton had little opportunity to wage a fast armored campaign rickard examines patton’s generalship during these bitter battles and suggests that patton was unable to adapt to the new realities of the campaign thereby failing to wage the most effective warfare possible by the beginning of the ardennes offensive patton had crippled his worthy opponent but had suffered the highest casualties of any campaign that he conducted during the war until now his better known exploits in sicily and normandy have overshadowed this campaign relying on a broad range of sources this treatment of patton’s operational performance in lorraine goes beyond the official history it describes patton’s philosophy of war and explains why it essentially failed in lorraine supplemented by full orders of battle casualty and
equipment losses and excellent maps patton at bay is a penetrating study of america s best fighting general

The History of Alsace-Lorraine under German Rule 2015-11-06

for a moment marche refused to believe his own eyes a wolf in lorraine a big gray timber wolf here within a mile of the château morteyn he could see it yet passing like a shadow along the trees before he knew it he was following running noiselessly over the soft mossy path holding his little shot gun tightly as he ran his eyes fixed on the spot where the wolf had disappeared he began to doubt his senses again he began to believe that the thing he saw was some shaggy sheep dog from the moselle astray in the lorraine forests but he held his pace his pipe gripped in his teeth his gun swinging at his side presently as he turned into a grass grown carrefour a mere waste of wild flowers and tangled briers he caught his ankle in a strand of ivy and fell headlong sprawling there on the moss and dead leaves the sound of human voices struck his ear and he sat up scowling and rubbing his knees the voices came nearer two people were approaching the carrefour jack marche angry and dirty looked through the bushes stanching a long scratch on his wrist with his pocket handkerchief the people were in sight now a man tall square shouldered striding swiftly through the woods followed by a young girl twice she sprang forward and seized him by the arm but he shook her off roughly and hastened on as they entered the carrefour the girl ran in front of him and pushed him back with all her strength
