nonfiction but into the wild is a mystery of the highest order entertainment weekly mccandless had given
25 000 in savings to charity abandoned his car and most of his possessions burned all the cash in his
wallet and invented a new life for himself not long after he was dead into the wild is the mesmerizing
heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured
the world s attention immediately after graduating from college in 1991 mccandless had roamed through
the west and southwest on a vision quest like those made by his heroes jack london and john muir in the

give himself a new name alexander supertramp and unencumbered by money and belongings he would be free to wallow in the raw unfiltered experiences that nature presented craving a blank spot on the map mccandless simply threw the maps away leaving behind his desperate parents and sister he vanished into the wild jon krakauer constructs a clarifying prism through which he reassembles the disquieting facts of mccandless s short life admitting an interest that borders on obsession he searches for the clues to the drives and desires that propelled mccandless when mccandless s innocent mistakes turn out to be irreversible and fatal he becomes the stuff of tabloid headlines and is dismissed for his naiveté pretensions and hubris he is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge krakauer brings mccandless s uncompromising pilgrimage out of the shadows and the peril adversity and renunciation sought by this enigmatic Rare ed. with unique illustrations and elegant classic cream paper epic historical novel by Leo Tolstoy. Originally published as Voina i mir in 1865-69. This panoramic study of early 19th century Russian society noted for its mastery of realistic detail and variety of psychological analysis is generally regarded as one of the world’s greatest novels. War and peace is primarily concerned with the histories of five aristocratic families, particularly the Bezukhovs, the Bolkonskys, and the Rostovs. The members of which are portrayed against a vivid background of Russian social life during the war against Napoleon 1805-14. The theme of war however is subordinate to the story of family existence which involves Tolstoy’s optimistic belief in the life-asserting pattern of human existence. The novel also sets forth a theory of history concluding that there is a minimum of free choice. All is ruled by an inexorable historical determinism. Includes unique illustrations and the handmaids tale chasing down an uncertain future.
