The key to saving the future seems to be a baffling historical mystery. Can the NUMA crew crack it in time? Sea of Greed is the suspenseful new NUMA Files novel from the #1 New York Times bestselling grand master of adventure. After an explosion in the Gulf of Mexico destroys three oil rigs, trying to revive a dying field, Kurt Austin and the NUMA Special Projects team are tapped by the president of the United States to find out what's gone wrong. The trail leads them to a brilliant billionaire in the alternative energy field. Her goal is the end of the oil age. Her company has spent billions developing the world's most advanced fuel cells, but is she an environmental hero or a rogue genetic engineer? The NUMA crew discovers that the oil fields are infected with bacteria that are consuming the oil before it can be pumped out of the earth. A bacteria originally lost decades ago when two submarines vanished in the Mediterranean with hired killers on his trail. Can Kurt Austin locate a submarine that's remained hidden for more than fifty years and even if he can, can he can the biological terror that's been unleashed be stopped? An investigation into the sudden deaths of gray whales leads NUMA leader Kurt Austin to the Mexican coast where someone tries to put him and his mini-sub out of commission permanently. Available in a tall premium edition reissue. Kurt Austin and the NUMA crew risk everything to stop a cutthroat arms dealer from stealing a priceless ancient treasure in the thrilling new novel from the #1 New York Times bestselling grand master of adventure. In 1074 B.C., vast treasures disappear from the tombs of Egyptian pharaohs. In 1927, a daredevil American aviator vanishes on an attempted transcontinental flight. And in the present day, a fishing trawler along with its mysterious cargo sinks off the coast of Scotland. How are these three mysterious events connected and more importantly, what do they mean for Kurt Austin and his NUMA team as they search for answers? The NUMA squad join the agents of the British MI6 to take on a wide-reaching international conspiracy. Their common enemy is the Bloodstone Group, a conglomerate of arms dealers and thieves attempting to steal ancient relics on both sides of the Atlantic. Kurt and his team soon find themselves wrapped up in a treacherous treasure hunt as they race to find the lost Egyptian riches before they fall into the wrong hands. Kurt Austin puts the NUMA team on a case involving a hideous series of medical experiments, an extraordinarily ambitious Chinese criminal organization, and a secret new virus that threatens to set off a worldwide pandemic. Collects accounts of the underwater discoveries made by the author and his team of volunteers dedicated to the exploration of historic wrecks, including the Lexington and the Arkansas. Clive Cussler's Bestselling Serpent will now be published in our popular premium format with an exciting new cover.
Oral roentgenology: A roentgen study of the anatomy and pathology of the oral cavity

Fish farming organization with big plans for their genetically modified product in this new New York Times bestselling adventure series. A confrontation between a radical environmentalist group and a Danish cruiser leave many survivors trapped inside a sunken ship. But when the head of NUMA Special Assignments Kurt Austin and his colleague Joe Zavala are enlisted to run the rescue operation, they uncover a far more sinister agenda on the part of the supposed environmental group. Their agency Sentinels of the Sea is connected to a shadowy multinational corporation with plans for controlling the world's oceans and somebody within the company is willing to kill anyone who gets in the way. When Austin narrowly escapes an explosion on his own boat, he becomes certain he's the next target. This can only mean he's onto something big. In fact, he's in the midst of an environmental disaster that has already begun and only he and NUMA stand in the way. From Graham Brown, Co-author of the New York Times bestselling thriller Devil's Gate, with Clive Cussler comes Black Rain: Covert government operative Danielle Laidlaw leads an expedition into the deepest reaches of the Amazon in search of a legendary Mayan city. Assisted by a renowned university professor and protected by a mercenary named Hawker, her team journeys into the tangled rainforest unaware that they are replacements for a group that vanished weeks before. The treasure they are seeking is no mere artifact, but a breakthrough discovery that could transform the world. Shadowed by a ruthless billionaire threatened by a violent indigenous tribe and stalked by an unseen enemy that leaves battered corpses in its wake, the group desperately seeks the connection between the deadly reality of the Mayan legend, the nomadic tribe that haunts them, and the chilling secret buried beneath the ancient ruins. The latest Kurt Austin action-packed NUMA Files adventure novel from the UK #1 Bestseller Clive Cussler. The City of the Dead: Egypt, 1353 BC. Buried deep beneath the Saharan Desert is a secret. An ancient elixir so powerful that it is rumoured to take life from the living and restore it to the dead. Lampedusa, present day. Off a remote island, a mysterious ship releases a deadly poison. Minutes later, everyone on the island is dead. Responding to a distress call, Kurt Austin and the NUMA team struggle to understand what has caused this disaster. As they investigate the incident further, they uncover a far greater threat. What is the truth behind the legends? Now, Kurt Austin must learn the secrets of the past if he is to save millions from a horrifying death. But it is a desperate race against time, and he faces a deadly enemy who will stop at nothing. Cussler is hard to beat. Daily Mail: The Adventure King. Nobody does it better. Nobody. Nobody does it better. Nobody. Stephen Coonts just about the best storyteller in the business. New York Post: Oceanography's answer to Indiana Jones. Exotic locations, ruthless villains, and many narrow escapes. Cussler's fans come for swashbuckling and he delivers. Oral roentgenology: A roentgen study of the anatomy and pathology of the oral cavity.
noma operative Kurt Austin takes on a madman fronting as an environmentalist in this New York Times bestselling series. Sixty years ago, an eccentric Hungarian genius discovered how to artificially trigger such a shift in the polar ice caps, which could cause massive eruptions, earthquakes, and even climate changes. But then his work disappeared, or so it was thought. Now, the charismatic leader of an antiglobalization group plans to use it to give the world's industrialized nations a small jolt before reversing the shift back again. The only problem is it cannot be reversed once it starts. There is nothing anyone can do. Austin Zavala and the rest of the NUMA special assignments team must make strange alliances to protect this technology from being exploited by their new and power-hungry nemesis. Before the entire planet is made to pay rich with all the hair-raising action and endless imagination that have become Clive Cussler's hallmarks, Polar Shift is a wonderful thriller. Indeed, Vintage Cussler on orders from the Pentagon, marine explorer Dirk Pitt must salvage crucial material from the world's most infamous maritime disaster. In this novel, in the New York Times bestselling series, the president's secret task force has developed an unprecedented defensive weapon that relies on an extremely rare radioactive element. And Dirk Pitt has followed a twisted trail to a secret cache of the substance. Now racing against brutal storms, Soviet spies, and a ticking clock, Pitt begins his most thrilling mission to raise from its watery grave the shipwreck of the century. Kurt Austin must find a vanished ship and stave off a global catastrophe. In the latest novel in the New York Times bestselling series, created by the grand master of adventure, Clive Cussler, a freighter carrying top secret computers of unparalleled capability disappears in the western Pacific. While searching for a lost treasure that once belonged to the famous Chinese pirate queen Ching Shih, Kurt Austin and Joe Zavala are redirected to look for the missing vessel, discovering that the sinking of the ship is just part of an intricate web of deception. They find themselves in the middle of a cyberwar between rival groups of hackers, both of whom want to control the flow of data around the world with no allies except a group of pirates who operate under their own crude laws. Kurt and Joe must rescue a colleague held hostage while keeping the computers out of Russian or Chinese hands and the world's digital information safe from the hackers. The second thrilling account of New York Times bestselling author Clive Cussler's real-life search for lost ships, planes, and other marvels, that changed history for decades. Clive Cussler's real-life NUMA, the National Underwater and Marine Agency, has scoured rivers and seas in search of lost ships of historic significance. His teams have been inundated by tidal waves and beset by obstacles both human and natural, but the results and the stories behind them have been dramatic.

Raise the Titanic! 2004-02-03

the second thrilling account of 1 new york times bestselling author clive cusslers s real life search for lost ships planes and other marvels that changed history for decades clive cussler s real life numa the national underwater and marine agency has scoured rivers and seas in search of lost ships of historic significance his teams have been inundated by tidal waves and beset by obstacles both human and natural but the results and the stories behind them have been dramatic in this follow up to their bestselling first account the sea hunters cussler and colleague craig dirgo provide another extraordinary narrative of their true seagoing and land adventures
including their searches for the famous ghost ship Mary Celeste found floating off the Azores in 1874 with no one on board. The Carpathia, the ship that rescued the Titanic survivors, was itself lost to U-boats six years later, and La Oiseau Blanc, the airplane that almost beat the Spirit of St. Louis across the Atlantic before disappearing in the Maine woods, all these plus steamboats, ironclads, a seventeenth-century flagship, a certain famous PT boat, and even a dirigible are tantalizing targets as Cussler proves again that truth can be at least as fun and sometimes stranger than fiction. Clive Cussler introduces Sam and Remi Fargo in Spartan Gold, an ancient treasure stolen by Xerxes the Great discovered by Napoleon Bonaparte. The clues to its hidden location lost until now, adventurers and treasure hunters Sam and Remi Fargo are on a wild goose chase up to their waists. In the Great Pocomoke Swamp in Maryland, they’re hunting for lost gold, what they find instead is a small second world war German U-boat inside the submarine they find a body, and a puzzling incredibly rare bottle of wine. This bottle was one of twelve taken from Napoleon’s lost cellar but it is also a clue to a fabulous ancient treasure one that Hadeon Bondaruk, a half Russian, half Persian millionaire, will do anything to get his hands on for he claims descent from treasure’s one-time owner. It will be his, no matter who stands in his way. Clive Cussler, author of the celebrated Dirk Pitt novels Arctic Drift and Crescent Dawn, presents his newest series following the adventures of treasure hunters Sam and Remi Fargo, beginning with Spartan Gold. Praise for Clive Cussler: "The guy I read Tom Clancy."
