Barack Obama through White House photographer Pete Souza’s
behind the scenes images and stories in this New York Times
bestseller with a foreword from the president himself during
Barack Obama’s two terms Pete Souza was with the president
during more crucial moments than anyone else and he
photographed them all Souza captured nearly two million
photographs of President Obama in moments highly classified
and disarmingly candid Obama an intimate portrait reproduces
more than 300 of Souza’s most iconic photographs with fine
art print quality in an oversize collectible format together
they document the most consequential hours of the presidency
including the historic image of President Obama and his
advisors in the situation room during the bin laden mission
alongside unguarded moments with the president’s family his
encounters with children interactions with world leaders and
cultural figures and more souza’s photographs with the behind the scenes captions and stories that accompany them communicate the pace and power of our nation’s highest office they also reveal the spirit of the extraordinary man who became our president we see president obama lead our nation through monumental challenges comfort us in calamity and loss share in hard won victories and set a singular example to be kind and be useful as he would instruct his daughters this book puts you in the white house with president obama and is a treasured record of a landmark era in american history franklin’s trying to sleep but a construction crew has other plans each night there’s a different project railroad canal runway and every one of them is being built in the middle of franklin’s bedroom where are all these people going and why are they in franklin’s room franklin is determined to find out with equal measures of dreamy adventure and down to earth construction fun this collaboration between new author david teague and established illustrator boris kulikov is sure to be a favorite bedtime book in homes everywhere part of the best selling little people big dreams series louise bourgeois tells the inspiring story of this talented sculpture artist from pete souza the 1 new york times bestselling author of obama an intimate portrait comes a potent commentary on the presidency and our country as chief official white house photographer pete souza spent more time alongside president barack obama than almost anyone else his years photographing the president gave him an intimate behind the scenes view of the unique gravity of the office of the presidency and the tremendous responsibility that comes with it now as a concerned citizen observing the trump administration he is standing up and speaking out shade is a portrait in presidential contrasts telling the tale of the obama and trump administrations through a series of visual juxtapositions here more than one hundred of souza’s unforgettable images of president obama deliver new power and meaning when framed by the tweets news headlines and quotes that defined the first 500 days of the trump white house what began with souza’s instagram posts soon after president trump’s inauguration in january 2017 has become a potent commentary on the state of the presidency and our country some call this throwing shade souza calls it telling the truth in shade souza’s photographs are more than a rejoinder to the chaos
abuses of power and destructive policies that now define our nation's highest office they are a reminder of a president we could believe in and a courageous defense of American values

Inspire the next generation of outstanding people who will change the world with "Little People, Big Dreams" from Black-ish writer and director Gail Lerner. Comes a whimsical and heartwarming tale where two unlikely allies band together to protect and defend the insect world from the worst enemy of all humans: what an enchanting and wondrous book! For young readers, Jamie Lee Curtis, actress and bestselling children's book author, ten-year-old Eden's quiet life is upended when she saves a paper wasp nest from destruction and discovers to her awe and amazement that she and its haughty queen can talk to each other. This first conversation is the start of a grand adventure leading Eden to the Institute for Lower Learning, a secret laboratory devoted to the peaceful coexistence of humans and insects. The Institute is more fantastic and idyllic than Eden could have imagined, but hidden deep within its tunnels is an old secret that could spell the end for all insects on Earth. Nine-year-old August, an aspiring actor and bullied fourth grader, is looking for that very secret after a few disastrous encounters have left him wanting to squash every annoying bug into oblivion. After all insects are small and he is big, if there is anything he has learned from the bullies at school, it's that being bigger is what counts. But in the world of the Institute, where insects have a place of their own, both Eden and August discover being bigger isn't necessarily better and sometimes the most courageous thing to do is to set out to make a new friend. In this book from the critically acclaimed Multimillion Copy Best Selling Little People, Big Dreams series, discover the life of Malala Yousafzai, the incredible activist for girls' education and the youngest Nobel Prize laureate. Yes We Did 2019-10-22 eight years in the white house went by so fast that’s why I m so grateful that Lawrence was there to capture them. I hope you enjoy his work as much as I do. From the foreword by Barack Obama: When Lawrence Jackson took the job as White House photographer in early 2009, he knew he d have a front row seat to history. What he didn’t expect was the deep personal connection he would feel as a fellow African American with the President of the United States. Yes We Did is filled with Lawrence’s intimate photographs and reflections as well as first person recollections from President Obama, everyday citizens and notable personalities including Bono, Stephen Curry, Valerie Jarrett, Admiral Mike Mullen, and others. The book is a celebration of the most
inclusive and representative white house in history where in between momentous and pivotal decisions the president and first lady opened the doors of the people’s house to schoolkids athletes senior citizens hip hop artists and more for anyone who misses the humanity grace and undefinable cool factor of the obama white house this warm and inspiring book provides an affirming proud and focused lens on our history

heartwarming tale where two unlikely allies band together to
protect and defend the insect world from the worst enemy of
all humans what an enchanting and wondrous book for young
readers jamie lee curtis actress and bestselling children's
book author ten year old eden's quiet life is upended when
she saves a paper wasp nest from destruction and discovers to
her awe and amazement that she and its haughty queen can talk
to each other this first conversation is the start of a grand
adventure leading eden to the institute for lower learning a
secret laboratory devoted to the peaceful coexistence of
humans and insects the institute is more fantastic and
idyllic than eden could've imagined but hidden deep within
its tunnels is an old secret that could spell the end for all
insects on earth nine year old august an aspiring actor and
bullied fourth grader is looking for that very secret after a
few disastrous encounters have left him wanting to squash
every annoying bug into oblivion after all insects are small
he is big and if there is anything he's learned from the
