Dmitri Shostakovich Suites From Operas and Ballets 1900 digital technology is
transforming the musical score as a broad array of innovative score systems have
become available to musicians from attempts to mimic the print score to
animated and graphical scores to artificial intelligence based options digital
scoring affects the musical process by opening up new possibilities for dynamic
interaction between the performer and the music changing how we understand
the boundaries between composition score improvisation and performance the
digital score musicianship creativity and innovation offers a guide into this new landscape reflecting on what these changes mean for music making from both theoretical and applied perspectives drawing on findings from over a decade’s worth of practice based experimentation in the field author craig veer builds a framework for understanding how digital scores create meaning he considers the interactions between affect embodiment and digital scores offering the first comprehensive and critical consideration of an exciting field with no agreed upon borders featuring insights from interviews with over fifty musicians and composers from across four continents this book is a valuable resource for music researchers and practitioners alike
