many of the bikes featured in this book are classics from the heyday of motorbike manufacturing sadly a number of these famous names such as ariel bsa and velocette are consigned to the history books and the bikes themselves have become more and more of a collector’s item
credit the demise of the British motorbike industry to the invasion of the Japanese manufacturers Kawasaki, Suzuki, Honda, and Yamaha in the 1970s. They changed the face of motorcycling in Britain as they established themselves as a global phenomenon, but brands such as Royal Enfield, Norton, and Triumph have survived into the 21st century and now proudly cruise the country's roads alongside the likes of Harley Davidson and BMW.
