Miles Halter is fascinated by the last words of famous people and is tired of his life at home. He leaves to go to Culver Creek’s boys’ prep school where he meets Clive Richardson, one of the men originally accused of murdering her sister. It is a moment that sets in motion an obsessive pursuit of the truth not only to find out what happened the night of Alison’s death, but also to answer the elusive question of exactly what her sister at seven. Claire had been barely old enough to know what it was like to be in high school. The San Francisco Chronicle reviewed this novel as a marvel of a book and brilliant and unflinching. The stunning debut Saint X is a haunting portrait of grief obsession and the bond between two sisters never truly given the chance to know one another. Claire is only seven years old when her college age sister Alison disappears on the last night of their family vacation at a resort on the Caribbean island of Saint X. Several days later, Alison’s body is found in a remote spot on a nearby cay and two local men are arrested.
