United States Chess Federation's Official Rules of Chess, Fifth Edition 2003 explains all legal chess moves and discusses the regulations governing tournaments lifetime rankings and tournament director certification

Official Rules of Chess 2003 this is the official book of international chess rules and their interpretation

U.S. Chess Federation's Official Rules of Chess 1987 chess is one of the most challenging and enjoyable games that has ever been played it has a history that goes back over a thousand years and there is some evidence that perhaps it is even older than that the rules of chess is a free book in electronic format that will teach young and old how to play the royal game written by one of the great instructors of the modern era bruce pandolfini it is in fact a small excerpt from his extremely popular book let’s play chess 2nd edition after the material is presented there is a section listing and describing the chess books published by russell enterprises inc which are also available in electronic format in the meantime we hope you enjoy the rules of chess by bruce pandolfini

The Rules of Chess 2010-09-28 this is the book most recommended by chess coaches for their students it can perhaps be said that there are primarily four kinds of chess books 1 beginner’s books 2 advance strategy books 3 opening books 4 books of historical interest what makes chess the easy way almost unique is that it spans the first two and touches on the third it can be said that this book starts off the player at the beginning level and rapidly accelerates reaching almost the expert level by the end as a re printer of out of print chess
books i have been absolutely bombarded by chess coaches with requests for a reprinting of this book i get not only more requests for this book than any other book but i get more requests for this book than all other chess books combined
