adult learners with dyslexia and English as an additional language covers all the key areas necessary to ensure inclusive and effective teaching practice in higher and further education settings. This book provides a coherent framework for those looking to develop their knowledge and skills in this challenging area and explores key areas such as teaching and learning strategies, differentiation, assessment, feedback, and supporting students using technology. It provides a unique insight into how to develop a thorough understanding of the needs of learners and the principles and practices of how to meet these needs within a classroom setting. This is an essential introductory book for anyone working or training to work in either further or higher education and who wishes to develop knowledge and skills in the challenging area of supporting and teaching adult EAL learners with learning differences.

Differentiation for Gifted Learners 2020-10-21

The authors of Make Just One Change argue that formulating one's own questions is the single most essential skill for learning and one that should be taught to all students. They also argue that it should be taught in the simplest way possible. Drawing on twenty years of experience, the authors present the question formulation technique—a concise and powerful protocol that enables learners to produce their own questions improve
