Psychology of Prejudice and Discrimination 2016

This book provides a comprehensive and compelling overview of what psychological theory and research have to say about the nature causes and reduction of prejudice and discrimination. It balances a detailed discussion of theories and selected research with applied examples that ensure the material is relevant to students. This edition addresses several interlocking themes such as research methods, the development of prejudice in children, the relationship between prejudice and discrimination and discrimination in the workplace.

Anti-racist Health Care Practice 2009

This new edition of Prejudice provides a comprehensive treatment of the subject introducing the major theoretical ideas as well as providing a critical analysis of recent developments. It takes a social psychological perspective, analysing individual behavior as part of a pattern of intergroup processes. The book covers major research including classical personality accounts, developmental approaches, socio-cognitive research focusing on categorization and stereotyping prejudice as an intergroup phenomenon and ways to combat prejudice. It illustrates concepts with examples of different kinds of prejudice drawn from everyday life. A new chapter on prejudice from the victim's perspective is fully updated throughout with expansion of the notions of explicit and implicit manifestations of prejudice.

Prejudice 2011-06-20

Studies of racism often focus on its devastating effects on the victims of prejudice. But no discussion of race is complete without exploring the other side—the ways in which some people or groups actually benefit deliberately or inadvertently from racial bias. This is the subject of Paula Rothenberg's groundbreaking anthology, *White Privilege*. The new edition once again challenges readers to explore ideas for using the power of the concept of white privilege to help combat racism in their own lives. It includes key essays and articles by Peggy McIntosh, Richard Dyer, Bell Hooks, Robert Jensen, Allan G. Johnson, and others. Three additional essays add new levels of complexity to our understanding of the paradoxical nature of white privilege and the politics and economics that lie behind the social construction of whiteness. Making this edition an even better choice for educators, the brief, inexpensive, and easily integrated collection of commonsense, non-rhetorical readings lets educators incorporate discussions of whiteness and white privilege into a variety of disciplines including sociology, English composition, psychology, social work, women's studies, political science, and American studies.

White Privilege 2008

The Bennets first meet Mr. Bingley and his partners at the Meryton Ball. The townspeople finish that Mr. Bingley is perfectly amiable and agreeable. Meanwhile Mr. Bingley takes an immediate liking to Jane Bennet. Mr. Bingley's pal Mr. Darcy, however, snubs Elizabeth. The community comes to a decision that Darcy is proud and disagreeable because of his reserve and his refusal to dance. Jane unearths Bingley's sisters Caroline and Mrs. Hurst to be amiable, however, Elizabeth sees them as arrogant. After further interactions, it becomes glaring that Jane and Bingley are interested by each other. However, Mr. Darcy is still partial. At the same time, Mr. Darcy begins to appreciate Elizabeth. Captivated by her best eyes and lively wit, he stays contemptuous closer to him. When Jane is invited for dinner at Netherfield, Mrs. Bennet refuses to offer her with a carriage, hoping that the approaching rainstorm will force her to spend the night there. After getting stuck inside, the rain, Jane honestly falls ill. And has to stay at Netherfield for plenty days. Upon hearing that Jane is sick, Elizabeth walks to Bingley's property via the muddy fields. Caroline and Mrs. Hurst are scandalized by her rumpled appearance. However, they part of Bingley in welcoming her.

The Nature of Prejudice 1986

The first comprehensive volume to integrate social scientific literature on the origins and manifestations of prejudice against disabled people Ableism Prejudice Against Disabled People Stereotyped as Incompetent and Dependent can elicit a range of reactions that include fear contempt pity and inspiration current literature often narrowly...
Focused on a specific aspect of the subject or limited in scope to psychoanalytic tradition fails to examine the many origins and manifestations of ableism filling a significant gap in the field. Ableism the causes and consequences of disability prejudice is the first work to synthesize classic and contemporary studies on the evolutionary ideological and cognitive emotional sources of ableism. This comprehensive volume examines new manifestations of ableism summarizing the state of research on disability prejudice and explores real-world personal accounts and interventions to illustrate the various forms and impacts of ableism. This important contribution to the field combines evidence from multiple theoretical perspectives including published and unpublished work from both disabled and nondisabled constituents on the causes, consequences, and elimination of disability prejudice. Each chapter places findings in the context of contemporary theories identifying methodological limits and suggesting alternative interpretations. Topics include the evolutionary and existential origins of disability prejudice cultural and impairment specific stereotypes interventions to reduce prejudice and how to effect social change through collective action and advocacy adopting a holistic approach to the study of disability prejudice. This accessible written volume provides an inclusive up to date exploration of the origins and expressions of ableism. Addresses how to resist ableist practices prioritize accessible policies and create more equitable social relations with pages earmarked for activists and allies. Focuses on interpersonal and intergroup analysis from a social psychological perspective integrates research from multiple disciplines to illustrate critical cognitive, affective, and behavioral mechanisms and manifestations of ableism. Suggests future research directions based on topics covered in each chapter. Ableism the causes and consequences of disability prejudice is an important resource for social, community, and rehabilitation psychologists, scholars, and researchers of disability studies and students, activists, and academics across political, sociological, and humanistic disciplines.

Eligible 2017-04-18

This deluxe edition brings to life the letters exchanged among Jane Austen’s characters in Pride and Prejudice. Glassine pockets placed throughout the book contain removable replicas of 19 letters from the story. These powerful epistles include Lydia’s announcement of her elopement, Mr. Collins’s obsequious missives, and of course Darcy’s painfully honest letter to Elizabeth. Nothing captures Jane Austen’s vivid emotion and keen wit better than her characters’ correspondence. Each letter is re-created with gorgeous calligraphy. Letters are hand-folded with painstaking attention to historical detail. Perusing the letters will transport readers straight to the drawing room at Netherfield or the breakfast table at Longbourn. For anyone who loves Austen and for anyone who still cherishes the joy of letter writing, this book illuminates a favorite story in a whole new way. A visually gorgeous book that will be at home on the shelf or on the coffee table. Add it to the shelf with books like What Would Jane Do? Quips and Wisdom from Jane Austen by Potter Gift Jane A Day 5 Year Journal with 365 Witticisms by Jane Austen Edition by Potter Gift and The Real Jane Austen A Life in Small Things by Paula Byrne

Ableism: The Causes and Consequences of Disability Prejudice 2019-10-01

These essays include writings from Cornel West, Michael Omi, Audre Lorde, Gloria Anzaldúa, and Michelle Fine. The essays address the multiplicity and scope of oppressions ranging from ableism to racism and other less well known social aberrations.

Pride and Prejudice 2021-02-23

Poignant, important, and illuminating the New York Times Book Review groundbreaking Bryan Stevenson New York Times bestselling author of Just Mercy from one of the world’s leading experts on unconscious racial bias comes stories science and strategies to address one of the central controversies of our time: how do we talk about bias, how do we address racial disparities and inequities? What role do our institutions play in creating, maintaining, and magnifying those inequities? What role do we play with a perspective that is at once scientific, investigative, and informed by personal experience? Dr. Jennifer Eberhardt offers us the language and courage we need to face one of the biggest and most troubling issues of our time: she exposes racial bias at all levels of society in our neighborhoods, schools, workplaces, and criminal justice system yet she also offers us tools to address it. Eberhardt shows us how we can be vulnerable to bias but not doomed to live under its grip. Racial bias is a problem that we all have a
