Exercises we are proud to publish the first Neapolitan English dual language book making Neapolitan accessible to a broader public. Neapolitan was the national language of the Kingdom of Naples and the Kingdom of the Two Sicilies before the unification of Italy and it is still spoken in most of Southern Italy. This dual language book makes this language so easy to understand that anyone can sample it. The Pentamerone written in the seventeenth century was the first collection of fairy tales two hundred years before the Grimm brothers published their...

Erzväter und Exodus Schmid argues that the ancestor tradition in Genesis and the Moses story in Exodus were two competing traditions of Israel's origins and were not combined until the time of the priestly code that is the early Persian period. Schmid interacts with the long tradition of European scholarship on the Hebrew Bible but departs from some of the main tenets of the documentary hypothesis. He argues that the pre-priestly material in both text blocks is literally and theologically so divergent that their present linkage is more appropriately interpreted as the result of a secondary redaction than as thematic variation stemming from J's oral prehistory. He dates Genesis 2 Kings to the Persian period and considers it a redactional work that in its present shape is a historical introduction to the message of future hope presented in the prophetic corpus of Isaiah-Malachi. Scholars and students alike will be pleased that this translation makes Schmid's important work readily available in English both for the contributions made by Schmid and the summary of continental interpretation that he presents in this edition. Some passages have been expanded or modified in order to clarify issues or to engage with more recent scholarship. The notes and bibliography have also been updated. Dr. Schmid is professor of Old Testament and Early Judaism at the University of Zürich. science or computer science students or professionals to efficiently learn the mathematics. This self-contained textbook bridges the gap between mathematical and machine learning texts, introducing the mathematical concepts with a minimum of prerequisites. It uses these concepts to derive four central machine learning methods: linear regression, principal component analysis, Gaussian mixture models, and support vector machines. For students and others with a mathematical background, these derivations provide a starting point to other machine learning texts for those learning the mathematics for the first time. The methods help build intuition and practical experience with applying mathematical concepts. Every chapter includes worked examples and exercises to test understanding. Programming tutorials are offered on the book’s web site.

Man Booker Prize finalist. A novel all about art's versatility, borrowing from painting's fresco technique to make an original literary double take. Cements Smith's reputation as one of the finest and most innovative of our contemporary writers. By some divine alchemy, she is both funny and moving. She combines intellectual rigor with whimsy. The Los Angeles Review of Books how to be both is a fast moving genre bending conversation between forms, times, truths, and fictions. There's a renaissance artist of the 1460s, there's the child of a child of the 1960s, two tales of love and injustice twist into a singular yarn where time gets timeless, structural gets playful, knowing gets mysterious, fictional gets real and all life's
givens get given a second chance passionate compassionate vitally inventive and scrupulously playful ali smith s novels are like nothing else a note to the reader who says stories reach everybody in the same order this novel can be read in two ways and the ebook provides you with both you can choose which way to read the novel by simply clicking on one of two icons camera or eyes the text is exactly the same in both versions the narratives are just in a different order the ebook is produced this way so that readers can randomly have different experiences reading the same text so depending on which icon you select the book will read eyes camera or camera eyes your friend may be reading it the other way around enjoy the adventure having both versions in the same file is intentional 1 new york times bestseller from the author of small great things and a spark of light comes a powerful the washington post novel about the choices that alter the course of our lives named one of the best books of the year by marie claire everything changes in a single moment for dawn edelstein she s on a plane when the flight attendant makes an announcement prepare for a crash landing she braces herself as thoughts flash through her mind the shocking thing is the thoughts are not of her husband but of a man she last saw fifteen years ago wyatt armstrong dawn miraculously survives the crash but so do all the doubts that have suddenly been raised she has led a good life back in boston there is her husband brian their beloved daughter and her work as a death doula in which she helps ease the transition between life and death for her clients but somewhere in egypt is wyatt armstrong who works as an archaeologist unearthing ancient burial sites a career dawn once studied for but was forced to abandon when life suddenly intervened and now when it seems that fate is offering her second chances she is not as sure of the choice she once made
after the crash landing the airline ensures that
the survivors are seen by a doctor then offers
transportation to wherever they want to go the
obvious destination is to fly home but she could
take another path return to the archaeological
site she left years before reconnect with wyatt
and their unresolved history and maybe even
complete her research on the book of two ways the
first known map of the afterlife as the story
unfolds dawn s two possible futures unspool side
by side as do the secrets and doubts long buried
with them dawn must confront the questions she s
never truly asked what does a life well lived look
like when we leave this earth what do we leave
behind do we make choices or do our choices make
us and who would you be if you hadn t turned out
to be the person you are right now a novelistic
mosaic that simultaneously reads like a thriller
and like a strange dreamlike excursion into the
subconscious the new york times years ago when
house of leaves was first being passed around it
was nothing more than a badly bundled heap of
paper parts of which would occasionally surface on
the internet no one could have anticipated the
small but devoted following this terrifying story
would soon command starting with an odd assortment
of marginalized youth musicians tattoo artists
programmers strippers environmentalists and
adrenaline junkies the book eventually made its
way into the hands of older generations who not
only found themselves in those strangely arranged
pages but also discovered a way back into the
lives of their estranged children now this
astonishing novel is made available in book form
complete with the original colored words vertical
footnotes and second and third appendices the
story remains unchanged focusing on a young family
that moves into a small home on ash tree lane
where they discover something is terribly wrong
their house is bigger on the inside than it is on

Genesis and the Moses Story 2010-06-23 an unsung classic of nineteenth century russian literature karolina pavlova’s a double life alternates prose and poetry to offer a wry picture of russian aristocratic society and vivid dreams of escaping its strictures pavlova combines rich narrative prose that details balls tea parties and horseback rides with poetic interludes that depict her protagonist’s inner world and biting irony that pervades a seemingly romantic description of a young woman who has everything a double life tells the story of cecily who is being trapped into marriage by her well meaning mother her best friend olga and olga’s mother who means to clear the way for a wealthier suitor for her own daughter by marrying off cecily first cecily’s privileged upbringing makes her oblivious to the havoc that is being wreaked around her only in the seclusion of her bedroom is her imagination freed each day of deception is followed by a night of dreams described in soaring verse pavlova subtly speaks against the limitations placed on women and especially women writers which translator barbara heldt highlights in a critical introduction among the greatest works of literature by a russian woman writer a double life is worthy of a central place in the russian canon

Mathematics for Machine Learning 2020-04-23 1 new york times bestseller from the author of small great things and a spark of light comes a powerful the washington post novel about the choices that alter the course of our lives named one of the best books of the year by marie claire everything changes in a single moment for dawn edelstein she's on a plane when the flight attendant makes an announcement prepare for a crash landing she braces herself as thoughts flash through her mind the shocking thing is the thoughts are not of her husband but of a man she last saw fifteen years ago wyatt armstrong dawn miraculously survives the crash but so do all the doubts that have suddenly been raised she has led a good life back in boston there is her husband brian their beloved daughter and her work as a death doula in which she helps ease the transition between life and death for her clients but somewhere in egypt is wyatt armstrong who works as an archaeologist unearthing ancient burial sites a career dawn once studied for but was forced to abandon when life suddenly intervened and now when it seems that fate is offering her second chances she is not as sure of the choice she once made after the crash landing the airline ensures that the survivors are seen by a doctor then offers transportation to wherever they want to go the obvious destination is to fly home but she could take another path return to the archaeological site she left years before
reconnect with wyatt and their unresolved history and maybe even complete her research on the book of two ways the first known map of the afterlife as the story unfolds dawn's two possible futures unspool side by side as do the secrets and doubts long buried with them dawn must confront the questions she's never truly asked what does a life well lived look like when we leave this earth what do we leave behind do we make choices or do our choices make us and who would you be if you hadn't turned out to be the person you are right now

Russian Short Stories for Beginners 2019-11-28 a novelistic mosaic that simultaneously reads like a thriller and like a strange dreamlike excursion into the subconscious the new york times years ago when house of leaves was first being passed around it was nothing more than a badly bundled heap of paper parts of which would occasionally surface on the internet no one could have anticipated the small but devoted following this terrifying story would soon command starting with an odd assortment of marginalized youth musicians tattoo artists programmers strippers environmentalists and adrenaline junkies the book eventually made its way into the hands of older generations who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children now this astonishing novel is made available in book form complete with the original colored words vertical footnotes and second and third appendices the story remains unchanged focusing on a young family that moves into a small home on ash tree lane where they discover something is terribly wrong their house is bigger on the inside than it is on the outside of course neither pulitzer prize winning photojournalist will navidson nor his companion karen green was prepared to face the consequences of that impossibility until the day their two little children wandered off and their
voices eerily began to return another story of creature darkness of an ever growing abyss behind a closet door and of that unholy growl which soon enough would tear through their walls and consume all their dreams
