The Reed of God 2020-05-29

first published in 1944 and now a spiritual classic for catholics across the globe the reed of god contains meditations on the humanity of mary mother of god british catholic writer and artist caryll houselander lovingly explores mary s intimately human side depicting our lady as a musical instrument who makes divine love known to the world this refreshed edition is rich and rewarding reading for all christians who wonder what mary was really like while the second vatican council led to a renewed...
interest in the theology and person of Mary Caryll Houselander offered a simple yet profound reflection on the mother of God almost fifteen years before the council began confronting the static surreal Madonna of the Christmas card. Houselander provides instead an intuitive, warmly human, and approachable image of the mother of God through the central image of a reed that is played for music. Houselander demonstrates how Mary chose to make herself an instrument for the divine plan, giving her inmost being to the proclamation of God’s greatness in sharing her distinctive vision of Mary. Houselander offers the mother of God as a model for all people seeking to be instruments of the divine. The essays and poems in the reed of God also reflect on the mysteries of Mary’s life and her impact on salvation history. In the book’s four parts, Houselander explores key events of Mary’s life including her fiat, finding Jesus in the temple, and the assumption as well as the themes of fruitful emptiness and the eternal search for union with God.

**The Pursuit of God with Study Guide** 2006-01-01

Sometimes the voices that speak most clearly in the present are those that echo from the past. So it is in this Christian classic by the late pastor and evangelist A.W. Tozer in the pursuit of God, Tozer brings the mystics to bear on modern spirituality, grieving the hustle and bustle and calling for a slow, steady gaze upon God with prophetic vigor and flowing prose. He urges us to replace low thoughts of God with lofty ones, to quiet our lives so we can know God. He reminds us that life apart from God is really no life.

The Serpent of Paradise 2011-07-28 how we perceive our enemy will largely determine how we fight against him unless we grasp how the devil fits into god’s scheme of things we will find it difficult to stand against his conspiracy against us personally and his influence within our culture we can have a proper theology of the devil only if we have a proper theology of god only when we stand in awe of god will we find it unnecessary to be in awe of satan as martin luther once said the devil is god’s devil god is still in control the serpent of paradise gives an overview of the career of satan and his interaction with the almighty it traces his fall from an exalted position to his demise in everlasting shame and contempt it shows us that satan always loses even when he wins best of all it confirms that we who have been translated from the kingdom of darkness into the kingdom of light
able to stand against him be strong in the lord and in his mighty power put on the full armor of god so that you can take your stand against the devil s schemes. Ephesians 6:10-11 NIV The serpent of paradise is a book about satan but it is also a book about god s power god s program and god s purposes in this world.

Bible Study 2021-12-07 discovering the word of god in a way that is easily understood in this book i use the analogy of a treasure chest to describe the word of god and the bible for many people the bible is like a large and mysterious chest with leather embossed domed lid and gilt hinges sadly the hinges are rusted and there is a lock on it which seems impossible to open it is indisputable that the chest is brim full of precious treasures but accessing them is the problem as a result many christians do not experience the joy and fulfillment of reading their bibles regularly to discover the unlimited treasures it contains firstly this book explains that there are three keys which are available to every potential reader and explorer of the holy treasure chest briefly these are a desire to know the truth a determination to persevere and asking for the help of the holy spirit once these keys are applied the lid will pop open and then the fun begins that's where this book seeks to get you started
adventure by providing an overview or a guided tour if you will of the main points and message of the bible from genesis to revelation we start at the beginning explaining how it all began when there was nothing except god after creation an enemy is introduced and the fact that we are all in a spiritual war despite the fall there is still hope and god makes an amazing covenant with abraham a covenant which he will spend the rest of time unfolding and fulfilling along the way god s people find themselves in bondage as slaves in egypt then wandering in the wilderness but eventually they reach the promised land where more struggles and challenges await them the desperate need of a savior becomes more and more apparent and pressing then in the fullness of time jesus arrives immanuel messiah and coming king the format of the book is such that each of the ten chapters covers a certain period of the bible in chronological order at the end of each chapter there is a pause to ponder section which gives the reader a short bible passage or verse to read and then a few thoughts and questions to ponder about that particular passage in this way the treasure chest is carefully and steadily being explored with the purpose of discovering more and more treasures and insights into god s word the aim of this book is to bring a fresh perspective and excitement to all those who wish to read the bible regardless of whether they are new to the faith or have been on the journey for years the unlimited treasures of god s word are freely available to all who would seek and search for them this book can be used
as a springboard to facilitate the joyful and rewarding adventure of discovery by encouraging readers to open up their bible s every day

bestselling author Mark Batterson challenges participants to resolutely follow God wherever He leads by pointing out that if Jesus is not lord of all He is not lord at all. Most people think they are following Jesus. They may think they are following Jesus but the reality is they’ve invited Jesus to follow them. They call Him Savior but they’ve never surrendered to Him as Lord. Are you following Jesus or have you invited Jesus to follow you? Participants will find Batterson’s teaching filled with his customary vivid contemporary stories as well as biblical characters like Shamgar, Elisha, Jonathan and Judas. It’s time to go all in for God.

Sessions include:
